

Antique billiard snooker pool cue stand circa 1880

Sold

REF: 1158

Height: 112 cm (44.1")

Diameter: 40.6 cm (16")

Description

A very attractive mahogany revolving antique billiard snooker or pool cue carousel probably by Thurston of London circa 1870.

A revolving base with the facility to hold 12 cues supported by two turned uprights which are attached to a circular top with brass sprung bakelite cue clips and a decorative carved fig.

Very good quality mahogany has been used in the construction of this cue stand, the original faded baize is intact.
