

Billiards snooker clock scorer early Victorian

Sold

REF: 1019

Height: 68.58 cm (27")

Width: 55.88 cm (22")

Depth: 5 cm (2")

Description

An exceptionally rare and fine quality Billiards marker by Thurston of London circa 1840, constructed from an excellent cut of mahogany with a pediment which retains the original makers name. There are four revolving circular hand painted discs which are retained behind glazed panels, each disc is moved by an ebony knob to register the required score. The timber quality is outstanding.
